May 31, 2022

7:30 p.m.

EagleBank Arena

George Mason University

The day has finally arrived and you did it! Four years ago, you began this journey unaware of all the obstacles you might face and memories you would make. Now, you are about to embark on one of the most thrilling and challenging adventures yet. We are proud of you and all that you have accomplished. Congratulations on your special day! It has been a pleasure to watch you grow into young adults. There is no class quite like the class of 2022! We love you!

There are two parts to graduation, a “ceremony” followed by a “celebration.” During the ceremony, there should be no yelling, shouting, whistling, use of noisemakers such as air horns, or anything that might prevent a family from hearing the name of their graduate. All such behaviors should be saved for the celebration, which occurs at the conclusion of the ceremony. If a child becomes unhappy, please immediately leave the arena. We ask audience members to please be courteous to the speakers by silencing all electronic devices and cellular phones.

The students who shall be speaking at the graduation ceremony were selected on the basis of neutral criteria to deliver messages of the students’ own choices. The content of each student speaker’s message is the private expression of the individual student and does not reflect the endorsement, sponsorship, position, or expression of Thomas A. Edison High School or FCPS.
