World Language, Fine Arts, or Career and Technical Education			1	
Electives: Shall include at least two sequential electives.	3		4	
Total Credits Required:	26	5	22	5

Additional Requirements: Virtual Course*, First Aid/CPR/AED Training~, and AP/HN/IB Course OR CTE Credential+

*Students shall successfully complete one virtual course, which may be a noncredit-bearing course or elective credit bearing course that is offered online.

~ Students are required to be trained in emergency first aid, cardiopulmonary resuscitation, and the use of automated external defibrillators, including hands-on practice of the skills necessary to perform cardiopulmonary resuscitation.

+ Students shall either complete an Advanced Placement, honors, or International Baccalaureate course, or earn a CTE credential approved by the Board, except when a CTE credential in a particular subject area is not readily available or appropriate or does not adequately measure student competency, in which case the student shall receive satisfactory competency-based instruction in the subject area to satisfy the advanced studies or standard diploma requirements. The CTE credential, when required, could include the successful completion of an industry certification, state licensure examination, a national occupational competency assessment, the Armed Services Vocational Aptitude Battery (ASVAB), or the Virginia Workplace Readiness Assessment.

^ Students shall acquire and demonstrate foundational skills in critical thinking, creative thinking, collaboration, communication, and citizenship in accordance with the Profile of a Virginia Graduate approved by the Board.

Standard Diploma Only: Students who complete a CTE program sequence and pass an examination or occupational competency assessment in a CTE field that confers certification or an occupational competency credential from a recognized industry, or trade or professional association, or acquires a professional license in a CTE field from the Commonwealth of Virginia may substitute the certification, competency credential, or license for either a science or history and social science verified credit when the certification, license, or credential confers more than one verified credit. The examination or occupational assessment must be approved by the Board as an additional test to verify student achievement.
