*Parent/Guardian, please make comments and give specifics below that will aid your student's counselor in gaining insight into your child.*

What story or anecdote best exemplifies your child's personality, sense of humor, sense of dedication, etc.?

If there are any unusual personal circumstances that have affected your child's educational experience or personal development, please explain.

List and explain the factors that will affect your child's final college decision (in-state, tuition, location, size of campus, academic offerings, etc.)

If there is any other information you would like to share with the counselor?
