4 year college- What an application should show

- Leadership experience in extracurricular activities
- Challenging summer jobs and activities
- Excellent college essays
- Honest and detailed letters of recommendation
- Challenging classes attempted

There is no one specific way to apply to colleges/universities; many schools use different application types

- Common Application
- Coalition Application
- Institutional Applications

Common Application

www.commonapp.org

- More than 900 colleges and universities to apply to
- One centered place to complete applications

- Recommenders can upload their recommendations on to the website
- <https://edisonhs.fcps.edu/sites/default/files/media/inline-files/Tip%20Sheet%20for%20EHS%20Seniors%202020-21.pdf>

Coalition Application

www.coalitionforcollegeaccess.org

- Applications are more holistic
- Students can create accounts starting in the 9th grade
 - “Lockers” where students building their portfolios
- Fewer universities
- Recommenders can upload their recommendations on to the website
- <https://edisonhs.fcps.edu/sites/default/files/media/inline-files/Tip%20Sheet%20for%20EHS%20Seniors%202020-21.pdf>

Institutional Applications

- These vary based on the institution of application
 - Be sure to:
 - **Look at all requirements necessary for each university/college**
 - GPA
 - SAT/ACT Scores
 - Resume
 - Cost of application (waivers if applicable)
 - Letters of recommendation
 - Personal Statements and essays
 - Portfolios (if applicable)

Choosing your schools-still thinking? Meet with Ms. Cottingham!

- Some factors to consider:
 - GPA
 - Course history
 - SAT/ACT scores
 - Intended major
 - Location
 - Size of school/classes
 - 4 year graduation rate and 1st year retention rate
 - Financial aid package (average package, % need met)
 - Post college graduation placement (jobs, grad school admissions)

When building a list of schools:

- **Reach school:** Dream school
- **Target school:** The potential perfect fit
- **Safety school:** Students qualifications exceed the average
