Cell Phone Use	✓ An important update made to the Students Rights and Responsibilities document (SR&R) for 2022-23 is the regulation to prohibit cell phone use in classrooms. <b>Students will not be permitted to use their cell phones during instructional periods.</b> We acknowledge this new policy will be a shift for many students and families this year, but research shows that managing phone use during class time will support students' attention and ability to engage in their learning.
